

April 28 - Important deadline for 31st HSP Gathering Retreat in Estes Park, CO

Spring Greetings dear HSPs,

If you have been thinking of attending a  
HSP Gathering Retreat, 2016 may be the time to do so !  
I never really know for sure "what wants my heart's attention,"  
yet I am committed to listening and following accordingly.

So, will there be a HSP Gathering Retreat in 2017?

Guess my heart will know sooner or later.

Meanwhile, here are some pictures and comments from  
past HSP Gathering Retreat participants which may  
help you decide to join us at either the:

31st HSP Gathering - June 28 - July 2, 2016 - Estes Park, Colorado

32nd HSP Gathering - September 22 - 26, 2016, Fennville, Michigan
