# Home Study Courses

Just a few places left on Taggart's Reiki  
Master Teacher home study programme

Applications will close this weekend

**\*\*\* Only ONE place now remaining \*\*\***

Hiya,

Since my message yesterday, three of the four remaining places have now been taken, so if you are hesitating for any reason, now would be the time to decide either way because I expect the final place to be taken shortly.

I have a lovely collection of people to start working with. :)

What's this all about? Well...

If you are looking to move on with your Reiki, or to experience a unique course with content that is likely to be very different from what you have experienced thus far, you can unlock the secrets of Reiki from the comfort of your home with my exclusive Reiki Master Teacher Home Study Course.

There is one place left and this course offers a comprehensive and clear curriculum, and covers everything from original Japanese Reiki to modern, fluid and intuitive practices.

You will benefit from a flexible learning pace, diverse media materials, and practical exercises that connect you deeply with the energy.

With supportive coaching from me, one to one, and a focus on regular energy work over many weeks, this course is a life-changing experience that fosters strength, confidence, and balance.

Don't miss this opportunity to join a community of learners and receive ongoing support even after you have successfully achieved the goal of Reiki Master level. Enrol now and embark on a transformative journey to becoming a confident Reiki Master Teacher.

### **So comprehensive**

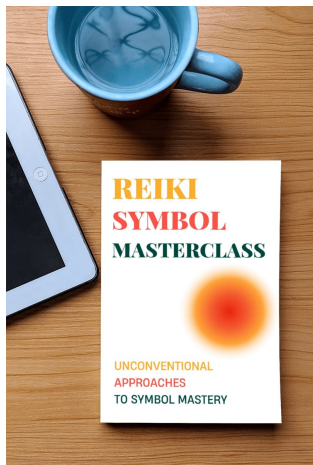

“I’m not sure what I was expecting from a home study course, but I certainly wasn’t expecting the fantastic manuals bulging with information, the online and ongoing support and the practical advice given by Taggart to the high degree which was given.”

Best regards,

Taggart :)

## **The Reiki Symbol Masterclass: Unconventional Approaches to Symbol Mastery**

This is a small book but if you work through the exercises and meditations contained within it, you will gain a deep, deep understanding of the use of symbols within Reiki and you will have learned things that are not taught on the vast majority of Reiki courses. What you have here is a complete and unique approach, a powerful, freeing and inspiring system for using, creating and experiencing the energies.
