Reiki started simply

Reiki is very simple, you know.

You start working with energy at First Degree and at Second Degree you're introduced to three symbols that you can use.

These symbols were taught to the Imperial Officers and a few others by Usui Sensei, and Dr Hayashi passed them on to Mrs Takata, who taught them in the West.

One of those symbols was CKR, perfect and complete on itself - see above.

So we started messing about with it, which is fine – experimentation is a good thing – but some of the experiments have become ossified in different lineages and passed on as 'the' way to do Reiki, rather than being taught as interesting variations.

So, that's all from me for today.

Take care,

Taggart can help you to *reclaim your authentic self*, letting go of any anxiety, low self esteem, excess weight, to emerge again as the person you used to be.

"These sessions have been truly life changing and I find I now have so much more energy to devote to work and creative projects. I can more easily embody the essence of my true self now and after years of struggling with anxiety, I cannot get over just how remarkable this actually is."
