

Dear Readers of the Free Will Astrology Newsletter:

Earlier today I sent you my weekly newsletter.

As usual, I included a link to the "pretty" online version.

But this time there was a MISTAKE IN IT!!!! OH NO!!!!

Sorry about that.

In the erroneous online version, there were problems with the Aries and Pisces horoscopes.

They have now been fixed.

Here's the link to the corrected online edition of the newsletter:
<http://bit.ly/2icVmf1>

Rowdy Blessings,

Rob Brezsny
