

costume suggestion: the mythical phoenix, which burns itself down, then resurrects itself from its own ashes.

CAPRICORN (Dec. 22-Jan. 19):

There are no such things as magic healings and miraculous redemptions and impossible breakthroughs. Right? Hard evidence provided by science precludes the existence of exotic help coming from spiritual realms. Right? Well, no. *Not* right. There is in fact another real world that overlaps the material world, and it operates according to different laws that are mostly imperceptible to our senses. But events in the other real world can have tangible effects in the material world. This is especially true for you right now. Take advantage! Seek practical answers and solutions in your dreams, meditations, visions, and numinous encounters. Halloween costume suggestion: white-magic sorcerer or good witch.

AQUARIUS (Jan. 20-Feb. 18):

Many years from now, in your last hours on earth, you will have visions that show you how all the events in your life were crucial to your life story. You will understand the lesson that was provided by each twist and turn of your destiny. Every piece of the gigantic puzzle will slip into place, revealing the truth of what your mission has been. And during that future climax, you may remember right now as a time when you got a long glimpse of the totality. Halloween costume suggestion: the happiest person on Earth; the sovereign of all you survey; the wise fool who understands yourself completely.

PISCES (Feb. 19-March 20):

You might be able to pass for normal, but it will be better for your relationship with yourself if you don't. You could try to tamp down your unusual urges and smooth your rough edges, but it will be smarter to regard those urges and edges as fertile raw material for your future happiness. Catch my drift? In the coming weeks, your main loyalty should be to your idiosyncratic intelligence. Halloween costume suggestion: the beautiful, interesting monster who lives in you.

ARIES (March 21-April 19):

I share Vincent Van Gogh's belief that "the best way to know life is to love many things." But I also think that the next twelve months will be an inspiring time for you to be focused and single-minded in your involvement with love. That's why I encourage you to take an approach articulated by the Russian mystic Anne Sophie Swetchine: "To love deeply in one direction makes us more loving in all others." Halloween costume suggestion: a lover celebrating a sacred union to the love of your life, to God or Goddess, or to a symbol of your most sublime ideal.

MAYBE JOY AND PLEASURE ARE ESSENTIAL SPIRITUAL EXPERIENCES

Assume that your drive to experience pleasure and happiness isn't a barrier to your spiritual growth, but is in fact essential to it. Proceed on the hypothesis that cultivating joy can make you a more ethical and compassionate person. Imagine that feeling good has something important to teach you every day.

TAURUS (April 20-May 20):

"Yes, We Have No Bananas" is a silly novelty song that became a big hit in 1923. Its absurdity led to its wide use for humorous effect. For example, on the kids' TV series *The Muppet Show*, puppets made out of fruits and vegetables sang parodies of the tune. That's why I find it droll that the "No Bananas" songwriters stole part of the melody from the "Hallelujah Chorus," the climax of classical composer George Handel's religious oratorio *Messiah*. I'd love to see you engage in comparable transmutations, Taurus: making serious things amusing and vice versa. It's a time when you can generate meaningful fun and playful progress through the art of reversal. Halloween costume suggestion: a tourist from Opposite Land or Bizarro World.

GEMINI (May 21-June 20):

In the next two weeks, you may have to navigate your way through careless gossip, distorted "facts," superficial theories, hidden agendas, fake news, and official disinformation. To prevent problems in communication with people who matter, take advantage of the Halloween spirit in this way: Obtain a bicycle helmet and cover it with aluminum foil. Decorate it with an Ace of Clubs, a red rose, images of wrathful but benevolent superheroes, and a sign that says "No Bullshit Allowed." By wearing this crown, you should remain protected. If that's too weird for you,

do the next best thing: Vow to speak the whole truth and nothing but the truth, and ask to receive the whole truth and nothing but the truth.

CANCER (June 21-July 22):

Watch out for a fake pizza-delivery driver who's actually trying to issue you a legal summons. Be careful you don't glimpse a blood red sky at dusk, in case it's a prophetic sign that your cell phone will fall into a toilet sometime soon. Beware of the possibility that a large bird carrying a turtle to its nest accidentally drops its prey into a rain puddle near you, splashing mud on your fancy clothes. JUST KIDDING! All the scenarios I just described are stupid lies. The truth is, this should be one of the most worry-free times ever. You're welcome, of course, to dream up a host of scary fantasies if you find that entertaining, but I guarantee that they'll be illusory. Halloween costume suggestion: an indomitable warrior.

LEO (July 23-Aug. 22):

What is the material object you want most but don't have? This is an object that would serve your soul's highest purposes, although not necessarily your ego's. Here's another question: What evocative symbol might help keep you inspired to fulfill your dreams over the course of the next five years? I suggest that you choose one or both of those things to be the inspiration for your Halloween costume.

VIRGO (Aug. 23-Sept. 22):

Did you get a chance to go to circus school when you were a kid? How about magic school? Or maybe detective school or time-travel school or superhero school? Probably none of the above, right? Much of your education revolved around what you HAD to learn rather than what would be fun to learn. I'm not saying it was bad you were compelled to study subjects you felt ambivalent about. In the long run, it did you good. But now here's some sweet news, Virgo: The next ten months will be a favorable time to get trainings and teachings in what you YEARN to learn. Halloween costume suggestion: a student.

LIBRA (Sept. 23-Oct. 22):

Now is an excellent phase in your cycle to scour bathrooms, scrub floors, shampoo carpets, and wash windows. But the imminent future will be an even more favorable period to purify your motivations, tonify your emotions, purge your less-than-noble agendas, calm down your monkey mind and monkey heart, disinfect the moldy parts of your past, and fact-check the stories you tell about yourself. So which set of tasks should you focus on? It may be possible to make great strides on the second set as you carry out the first set. But if there's not enough time and energy to do both, favor the second set. Halloween costume suggestion: a superhero who has wondrous cleaning powers; King Janitor or Queen Maid.
